

IG Kiosk

EXPAND YOUR POS REACH

Self-Service POS to Grow Revenue

IG Kiosk integrates with your existing InfoGenesis® POS so you can serve guests 24-7.

Extend Your POS Reach – A self-service, guest-facing kiosk reduces the time it takes to serve your guests. Adding this next-generation POS extends your reach to each guest.

Improve Guest Convenience – They want to make their own choices – in their own time. Give them the freedom to browse menu options whenever it's most convenient for them with the IG Kiosk.

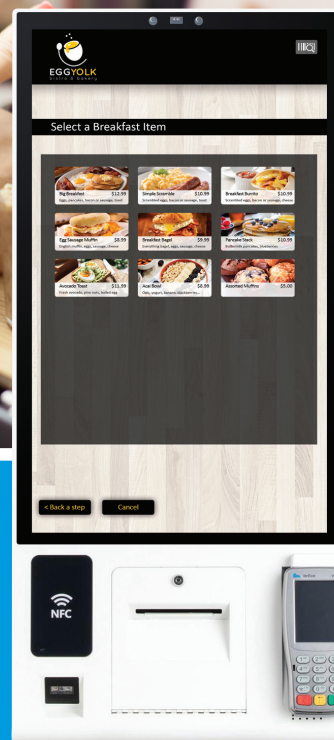

Reduce Staff Demand – Guests casually select menu items, process their credit card payment and even print a receipt – all using a simple interface. No service staff needed. Increasing your service efficiency just got a whole lot easier.

Place Anywhere On Property – Capture increased guest spending opportunities.

Secure Payments – Use today with Agilysys Pay, the hospitality industry's leading P2PE (point-to-point encrypted) and PCI-validated payment gateway.

ABOUT AGILYSYS

Agilysys has been a leader in hospitality software for more than 40 years. Agilysys is well known for its long heritage of hospitality-focused technology innovation. The Company delivers modular and integrated software solutions and expertise to businesses seeking to maximize Return on Experience (ROE) through hospitality encounters that are both personal and profitable. Over time, customers achieve High Return Hospitality by consistently delighting guests, retaining staff and growing margins. Customers around the world include: branded and independent hotels; multi-amenity resort properties; casinos; property, hotel and resort management companies; cruise lines; corporate dining providers; higher education campus dining providers; food service management companies; hospitals; lifestyle communities; senior living facilities; stadiums; and theme parks. The Agilysys Hospitality Cloud™ combines core operational systems for property management (PMS), point of sale (POS), and inventory and procurement (I&P) with Experience Enhancers™ that meaningfully improve interactions for guests and for employees across dimensions such as digital access, mobile convenience, self-service control, personal choice, payment options, service coverage and real-time insights to improve decisions. Core solutions and Experience Enhancers are selectively combined in Hospitality Solution Studios™ tailored to specific hospitality settings and business needs.
