

# Spa ADVANCED SPA MANAGEMENT

## Spa Management for Resorts, Hotels & Clubs

A modern, cloud-native spa management platform to enable seamless guest experiences while providing staff with easy workflows that streamline operations and maximize wellbeing for guests and staff alike. Our hotel/resort DNA ensures that Agilysys Spa fits seamlessly into a property-wide guest experience.

### Enhanced User Experience

- Guests can add spa treatments online with Agilysys Book
- Modern, mobile-enabled software that helps deliver effortless check-in, check-out and guest and staff scheduling processes
- Easily book large groups efficiently with the Spa Wizard

### Seamless Guest Data

- Rich integration with property management (PMS) solutions enables resort staff to combine spa services to streamline the guest's overall stay.

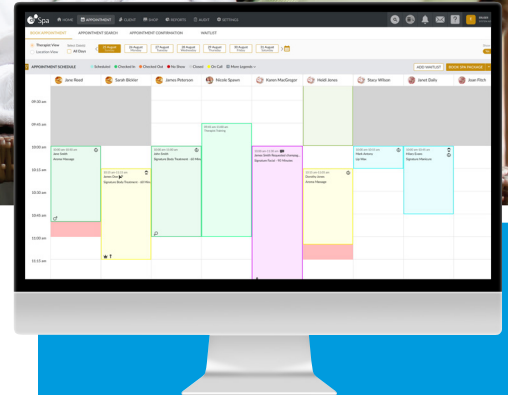

### Expand Retail Sales

- A comprehensive spa technology that fully integrates with Agilysys Retail, as well as with InfoGenesis® point-of-sale, enabling spa staff to seamlessly add retail sales to the guest's spa experience.

### Simplify Spa Management

- Trouble-free, flexible reporting tools and commission structures for services and retail products
- Management tools and comprehensive reports to make everything easy
- Grow revenue with yield management insights that include real-time availability and optimized pricing
- Maximize therapist and treatment room utilization with easy appointment move functionality and minimum gap optimization across all booking channels

### ABOUT AGILYSYS

Agilysys is well known for its long heritage of hospitality-focused technology innovation. The Company delivers modular and integrated software solutions and expertise to businesses seeking to maximize Return on Experience (ROE) through hospitality encounters that are both personal and profitable. Over time, customers achieve High Return Hospitality by consistently delighting guests, retaining staff and growing margins. Customers around the world include: branded and independent hotels; multi-amenity resort properties; casinos; property, hotel and resort management companies; cruise lines; corporate dining providers; higher education campus dining providers; food service management companies; hospitals; lifestyle communities; senior living facilities; stadiums; and theme parks. The Agilysys Hospitality Cloud™ combines core operational systems for property management (PMS), point of sale (POS), and inventory and procurement (I&P) with Experience Enhancers™ that meaningfully improve interactions for guests and for employees across dimensions such as digital access, mobile convenience, self-service control, personal choice, payment options, service coverage and real-time insights to improve decisions. Core solutions and Experience Enhancers are selectively combined in Hospitality Solution Studios™ tailored to specific hospitality settings and business needs.
