

# Meet Audicom MEA

## Audicom MEA is

Distributor with over 30 years of experience based in Dubai and operating in the MEA market since 2002. Audicom MEA provides local warranty & local service for its clients.

Audicom MEA has her office and warehouse, located at S02-202 Logistic Park, Al Qouz 2 Dubai UAE.

Audicom MEA has a cooperation with Aconcept Pro Media BV, Netherlands and EAVS Group, France.

Together they can provide the best support, quality, service and global solution within the AV.

*One supplier, many solutions...*

# Bathroom & Mirror TV

We offer customers a large choice of sizes, styles and finishes coupled with an emphasis on innovative, future-proof technologies. With screen sizes from 16" to 100" and a choice of glass colours. No cables, no visible connections, just a television to enhance your room design.

Perfect for bathrooms, living rooms, bedrooms, or anywhere a mirror and tv are required. We can tailor the glass design, and print colours, patterns and company logos on the surface.

# Audio Visual Accessories

We offer a wide range of Audio Visual accessories to mount and install AV equipment to walls, ceilings and floors. We also offer movable and in height adjustable systems, stands and trolleys. Depending on the situation and needs we can advise to the most suitable system.

*One supplier, many solutions...*

# Projector Screens & Lift Systems

We supply different ceiling projector lift systems with strokes up to 5600 mm. and maximum weights of 170 KG.

*One supplier, many solutions...*

# Flip Down & Pop Lift Systems

We offer several brands of flip down and pop up systems, both custom or standard. The lift systems are quiet reliable and easy to install. The pop up lift systems can be build into cabinets, beds and other furniture, or even under the floor. Our drop down TV lifts accommodate screens to 57 inch allowing them to descend from the ceiling with the touch of a button and hide away when not in use. Our flip down TV lifts fold screens flat into the ceiling. Ask our sales for the right installation of our solutions.
