ABOUT US

We are a division of the Western International Group that employs over 25,000 personnel which are spread across 12 countries. The group continues to strengthen its presence across the Middle East, Africa, South Asia, Europe, and the subcontinent with new brands and divisions constantly enriching the portfolio. Geetron operates as an IoT division that has one-stop solutions.

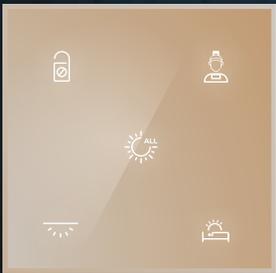

GEETRON SMART HOTEL SOLUTIONS

Geetron Smart Hotel Solutions provides luxuriously designed Switch Panels, GRMS Keypads, and USB powered Plug Sockets. Our premium design matches your luxury room interiors and meets high-quality performance. Custom designed colors and aesthetics give more attraction to guest rooms.
