DAYLIGHT PMS

Maximize revenue opportunities, and strengthen customer relationships.

Meetings & Events

Daylight PMS Meetings & Events (M&E) module is designed to manage all aspects of your hotel's M&E business with precision & ease. From the initial inquiry to the final contract, ensure every detail is handled seamlessly.

Comprehensive conference diary

Easily create and manage event bookings and schedules with an intuitive interface.

Flexible package management

Tailor packages with per-person or all-inclusive pricing options.

Advanced resource management

Manage shared inventory with a dashboard and customizable menu options.

Professional customer correspondence

Generate high-quality Banquet Event Orders (BEOs) and correspondence in multiple languages.

Unified guest profile

Maintain a single guest profile across Hotel and M&E bookings for a complete production overview.

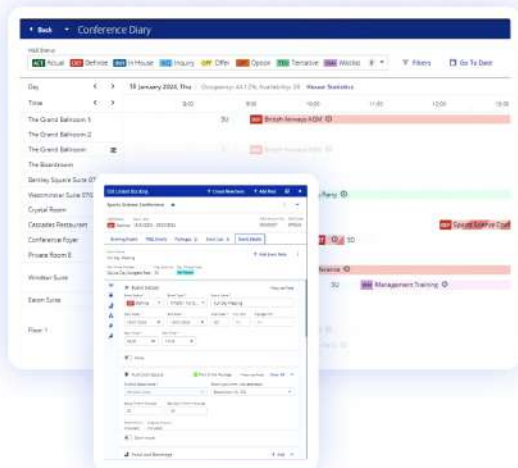

Seamless event billing

Post charges automatically or directly, with real-time updates and post-event adjustments.

An icon representing a billing interface. It shows a table with columns for item, quantity, and price, and a row of checkboxes.

How can the M&E module improve the guest experience?

Efficient event management

Streamlines all stages of the event process, from booking to execution, enhancing operational efficiency, handled seamlessly in one platform.

Unified guest experience

A single guest profile for both hotel stays and event bookings allows for personalized service and simplified guest management.

Enhanced Client Service

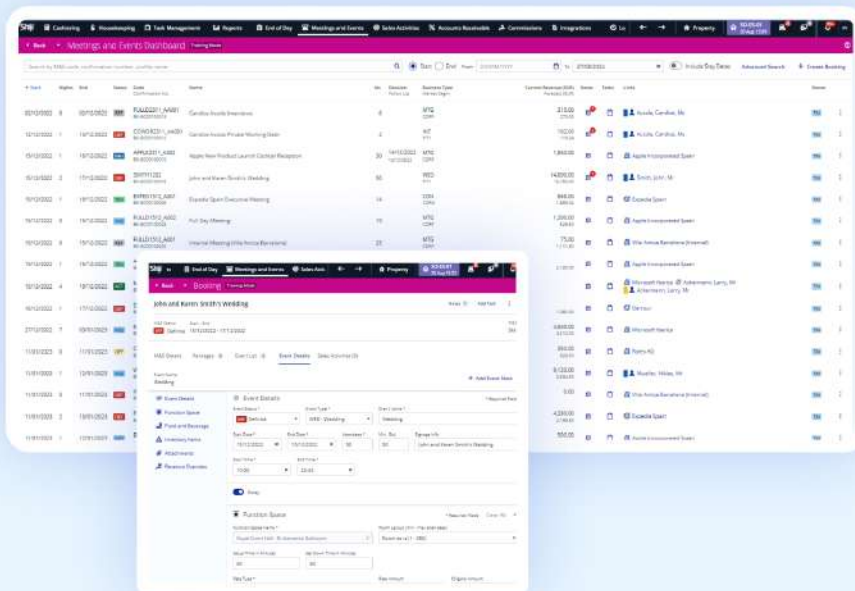

Flexible package options and multilingual communication tools help tailor the event experience, ensuring client satisfaction.

Accurate revenue tracking

Automated billing and real-time updates ensure accuracy and transparency in financial management.

Comprehensive group management

Simplifies the organization of large events with easy group booking and accommodation management, all within one booking & one platform.
