With local teams in Europe, Middle East and Asia Pacific, Shiji prioritizes our customers with individualized support from implementation to day-to-day operational reinforcement.

“Infrasy is the best point of sales system I’ve ever used. The whole experience is very user friendly. From training an associate to navigating the interface, it’s everything you would want from a point-of-sale system.

It’s a no-brainer that we plan to expand our partnership with them moving forward”.
