STELLARIS DIGITAL

The mobile-first check-in solution designed with your guests in mind.

Digital Stay

Shiji Digital Stay is a mobile-first digital check-in and check-out solution that meets the needs of today's guest.

It enables users to smoothly check-in pre-arrival, be informed when their room is ready, view details around their stay whilst in-house and simply check-out and leave at their own pace when their stay is over.

Save time and beat queues

Enables guests to check in digitally before arrival for a smooth, hassle-free experience.

Operate while on-the-go

Allow guests to check in or view booking details anytime, anywhere.

Access stay info easily

Provide a mobile-friendly app for booking details, room info, and expenses at a touch.

Less wait, more leisure

Free up time with mobile check-in, digital keys, dining, payments, and hotel chat.

The power of a seamless arrival

- ✓ European brand of boutique hotels (9 properties)
- ✓ Post-stay surveys results from 2023 (all year)
- ✓ 1.6-point increase in arrival experience scores when online check-in is implemented
- ✓ 1.4-point increase in overall experience when online check-in is implemented
