The background of the entire image is a dark olive green with a white honeycomb pattern. On the left side, there is a white silhouette of a person riding a camel, a falcon in flight, and the Burj Khalifa skyscraper. Below these elements is a dark, irregular shape that looks like a reflection or a shadow. On the right side, there are some dark, leafy branches of a tree.

Spirit of the Emirates

Natural and Healthy Products
with **Emirati** spirit

Spirit of the Emirates

Al Malaky products are proudly made in UAE and reflect the local heritage and culture.

Sidr, Samar & Ghaf trees are the most famous trees that express the heritage of UAE, that goes along also with the **Dubai Expo 2020 Ghaf Salama** Tree symbol, all of these trees reflect the originality, generosity and tolerance of the UAE culture.

Our products are 100% natural, promoting health and wellness of our customers in line with the vision of UAE.

SPECIALITY

GINGER & LEMON HONEY

Our signature blend and bestseller, amazing creamy blend of sidr honey, ginger and lemon

Made of 100% natural ingredients without a single artificial element, takes you through a journey of discovery of amazing sweet, citrus and spicy flavors.

A unique combination of great taste and immense health benefits

GINGER BREW

"Bottoms up" Ginger Brew from (US).
Made with single origin ginger.

This beverage offers the purest taste of ginger without any filtering, blending extracts or adding any additional fruit juices, this great recipe guarantees pure ginger in every bottle!

An ideal balance of the delicious ginger warmth with just enough amount of sweetness makes the perfect beverage.

HONEYTELLA

Our answer for Chocolate lovers!

A healthy alternative for chocolate made from natural ingredients. It is simple, we extract the fresh hazelnut and infuse it into 100% pure honey to make this great blend, full of nutrients, vitamins and minerals results in this delicious tasty blend.

Note: this products contains hazelnut and shouldn't be used by individuals with nut allergies

GRAB N' GO

Honey Spoon

Our Honey Spoon is the latest innovation in the honey industry. Our aim is to enable people to consume more honey while on the go, promoting a healthier lifestyle in the very busy world we live in.

The concept is all about the convenience of having a pre-packaged honey spoon in different flavors that can be enjoyed as a treat or mixed with hot beverages as natural sweetener.

It is perfect for worker, athletes, kids as well as travelers.
