SAFETY POLICY

Raymond Sport LLC is committed to the health and safety of its employees and for all who are involved in our projects.

We are focused to continuing improvement towards an accident-free workplace through effective administration, education and training.

We recognize that the responsibility for health and safety are shared. Safe work practices and job procedures will be clearly defined in the company's Health and Safety Manual for all employees to follow.

Our philosophy is that the well-being of our company and clients is dependent on the health and safety of our workforce. The risks for occupational accidents and diseases at work have to be managed by the employers and workers who are facing with them. In order to ensure effective action, it is essential to establish Occupational safety and health (OSH) management systems at all workplaces for continual improvement of working environment and preventive measures.

Raymond Sport LLC and their employees commit themselves to active participation in the implementation of this policy.

QUALITY POLICY

Raymond Sport LLC. is committed to provide competitive technical services related to its various fields of expertise, namely design, installation and training for Health, Leisure and Sports fields. Raymond Sport LLC. is also committed to achieve customer satisfaction at all times.

Raymond Sport LLC. continually improves the effectiveness of the quality management system (QMS) and sets quality objectives and work plans. Moreover, Raymond Sport LLC. is committed to upgrade the capabilities of its technical and administrative staff through formal training and continuous technical quality awareness.

Raymond Sport LLC. management is committed to introduce its staff to its quality policy and quality system. It is the responsibility of the staff, however, to familiarize themselves and comply with the policies and procedures of the quality system adopted.
