## DIRECTION WITH PASSION

---

Rima Dardenne, Founder & CEO

**Rima** is an American interior designer and businesswoman. She is the Executive Chairman and Chief Innovation Officer of her own brands (Irony Home in the Middle East & Asia, and Joy by Rima in the USA). Both brands have a classic and modern design sensitivity.

Rima strives to design unique interiors that will have a positive impact on her client's lives.

With an eye for quality, a superior sense of style, and an extraordinary detailed approach, she has proven herself as an innovative designer.

Rima assists both commercial and residential clients in creating timeless spaces. She offers a balance of creativity and collaboration on all her projects.

Rima opened her first interior design store in 2002. She is now celebrating almost 20 years with Irony Home. In 2012, she launched Joy by Rima with projects in NYC and Beverly Hills.

# About Us

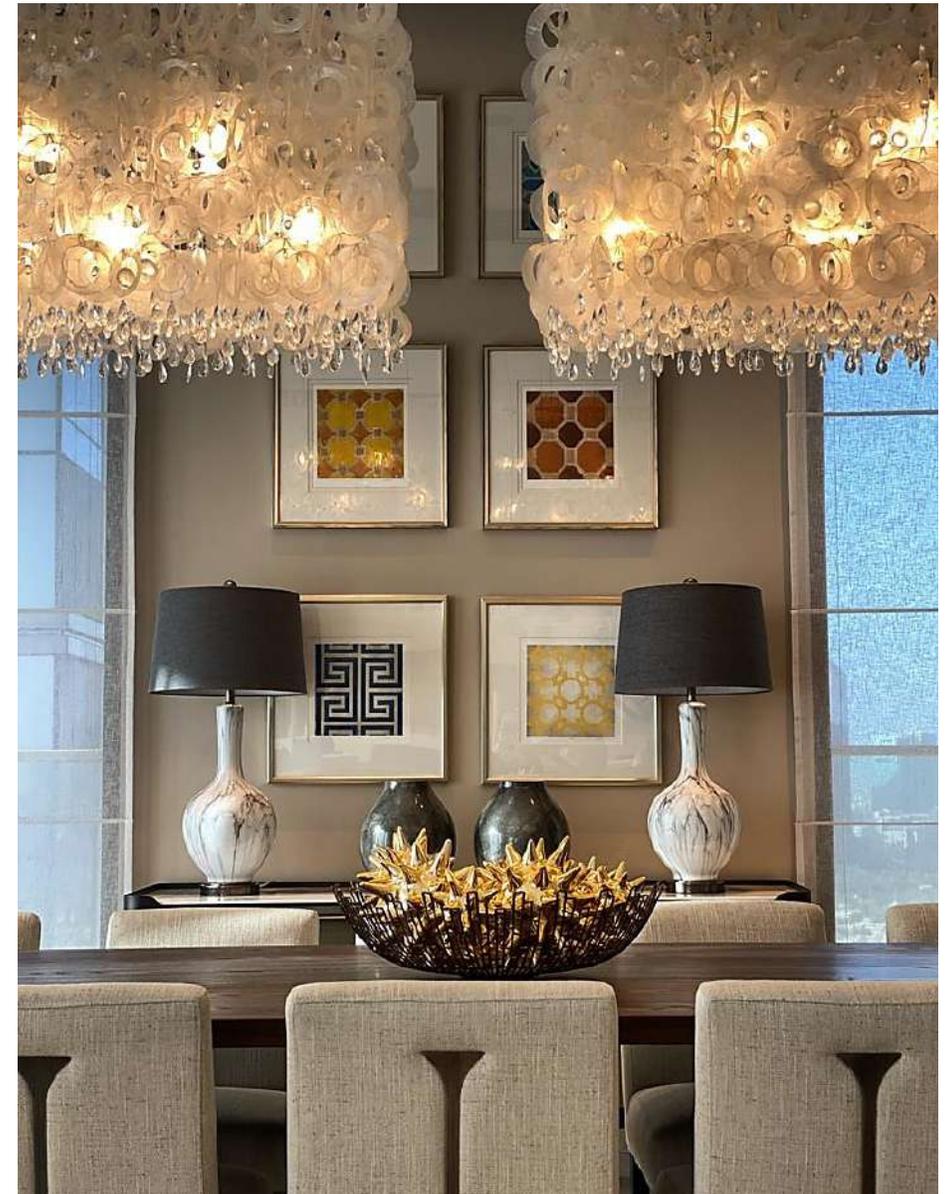

Home is where the heart is, and at Interiors by Irony Home, we're here to help transform your living space into your dream home.

For over 13 years we have been designing homes and businesses across the UAE, curating the latest trends in interior design and making them accessible to our valued clients.

We strike for the perfect balance between stylish sophistication and function, transforming homes with unique designs that resonate with our clients' desires.

# Our Projects

- Taj Residences
- The 118 Downtown
- The Beach House, Oman
- Holiday Homes Palm Villas
- Abu Dhabi Project
- Office TwoFour54
- The Downtown

# Bldv Crescent 3BR

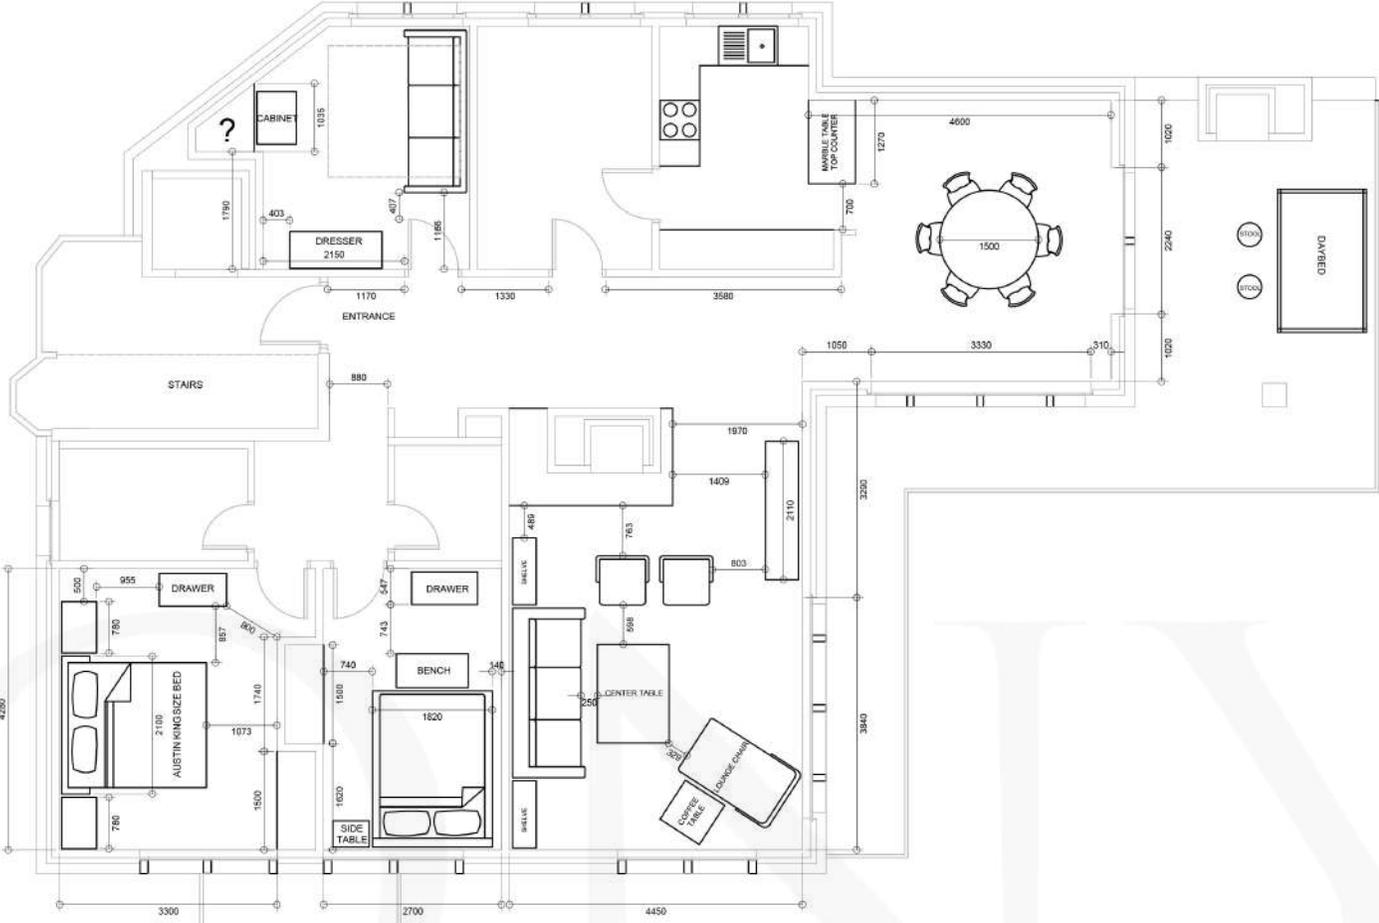

## DUBAI

Deluxe 3-bedroom apartment with a panoramic view of downtown Dubai. Modern, contemporary style with a luxurious neutral palette.

# Master Plan

Carefully curating the master plan for this 3-bedroom holiday home with mindful space planning, interior alterations, colour programming, and material selections.

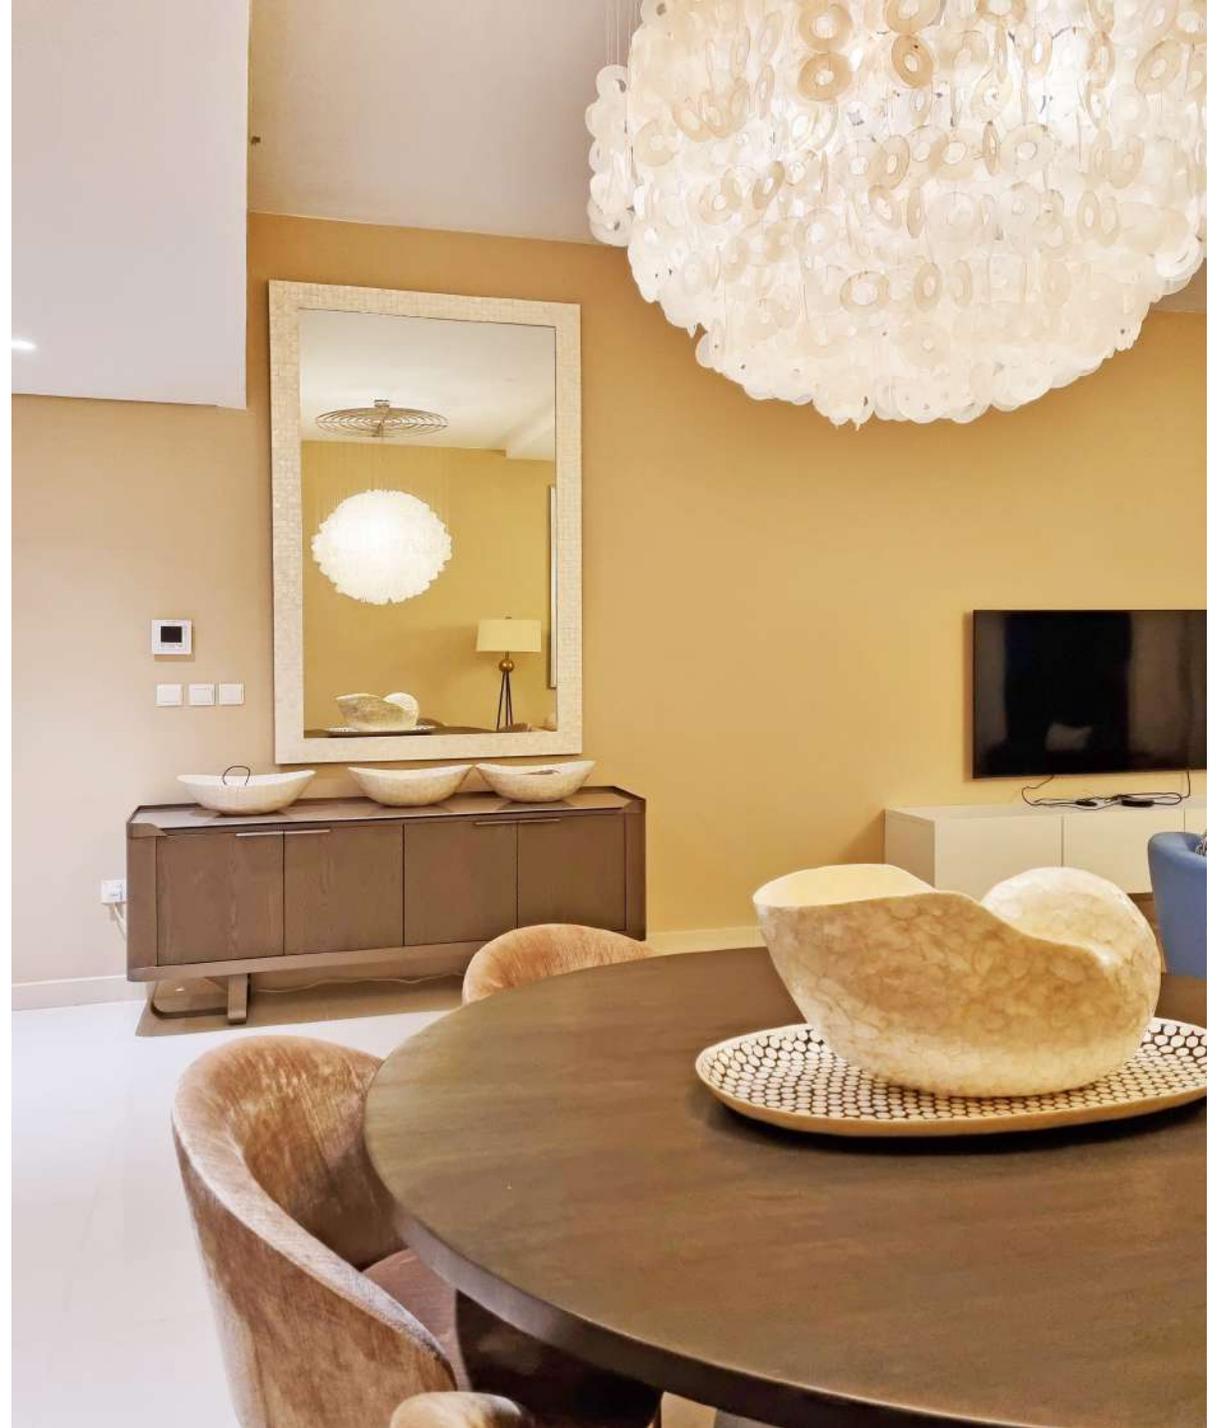

## Living Area

Blue accents break the monotony of neutral colours and a significantly sized artwork enhances the scale of the room and adds a sense of luxury.

## Dining Area

Contemporary home decor elements like a capiz chandelier, nautilus capiz centerpiece, and a tall capiz frame mirror add a soft elegance to the space.

## Master Bedroom

The modern contemporary four-poster bed stands out in a neutral colour palette inspired by this ornate silk throw pillow.

## Bedroom 1

A mindful combination of blue, white, and grey hues adorn the walls and pillow cushions to make a bold yet elegant statement.

## Bedroom 2

A splash of vibrant hues on the yellow wallpaper and the bright yellow cushions breathe life into this bedroom.

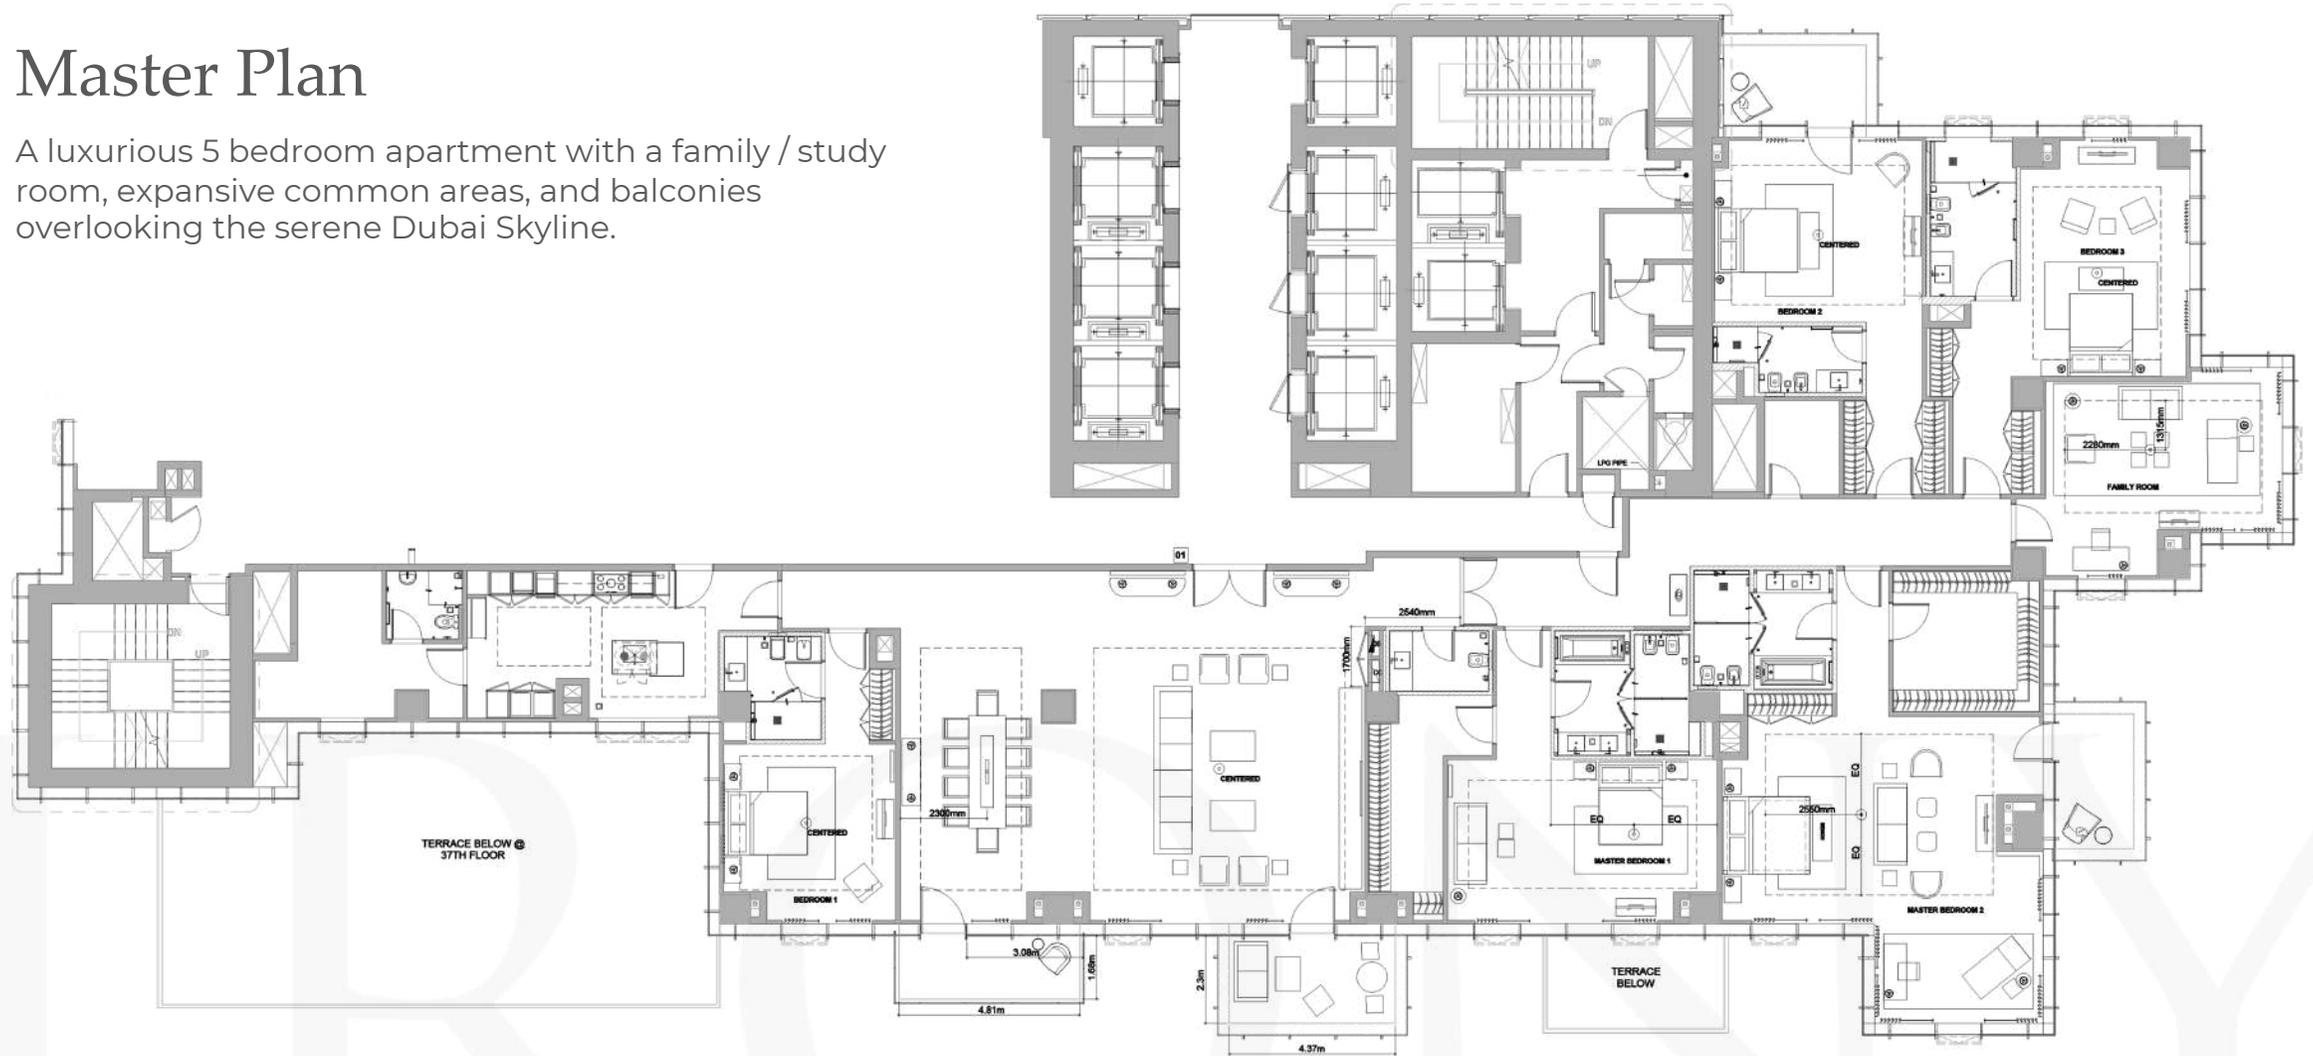

# Taj Residences DUBAI

A contemporary Hotel Apartment in the heart of JLT.  
Timeless, revolutionary design curated with a mindful choice of  
material, integration of textures, and use of light.

# Master Plan

A luxurious 5 bedroom apartment with a family / study room, expansive common areas, and balconies overlooking the serene Dubai Skyline.

# Living Area

Stylized use of natural materials ranging from wood and marble to metal, create a truly vibrant and lively atmosphere in the living room, that is further complemented using natural light.

## Details

Design elements in an array of chic patterns featuring fabrics like plush velvet, light linens, and breathable cottons, creating a symphony of timeless design.

## Dining Area

Creating a seamless transition from the living area to the dining room through the use of consistent materials and accent colours.

## Dining Area

Vibrant artwork, tall table lamps, and an elegant chandelier atop the dining table create a chic and modern design.

## Master Bedroom

Calm and tranquility contained within a timeless, sophisticated design. An assortment of textures, patterns, and harmonious hues create a bedroom that carries a pure sense of comfort.

# Master Bedroom

A desk is incorporated to create a concise working space, but design elements stay true to their comfortable nature.

# Beach House

## OMAN

A warm beach house nestled by the golden sands of the Oman beach shore; an idyllic abode designed with a coastal home theme in mind.

## Outdoor Area

A sea-facing outdoor living area, enlivened with natural textures and materials like wood, linen, and wicker in an elegant assortment of colours and patterns to celebrate the spirit of nature.

## Living Room

Warm white and fresh green sea-themed accents create a harmonious design, while black block-printed cushions steal the spotlight in this tranquil living room.

## Dining Area

Rustic elements, chic contemporary accessories, and bold artwork against neutral walls bring the true coastal home spirit to life.

# Holiday Homes

PALM VILLAS, DUBAI

End-to-end design and white glove installation for a cluster of 10 identical 5-bedroom villas for a developer in Palm Jumeirah, Dubai.

## Living Room

A neutral colour pallet is consistent throughout rustic yet elegant coastal furniture, chic gold accents, and stylized urban artwork.

# Family Room

A symmetrical arrangement of furniture and decor elements in this uniquely shaped room creates a harmonious design, making it stylish yet functional.

## Dining Room

A textured wooden dining table with monochromatic chairs and a rectangular capiz shell chandelier add a stylish impact to the room.

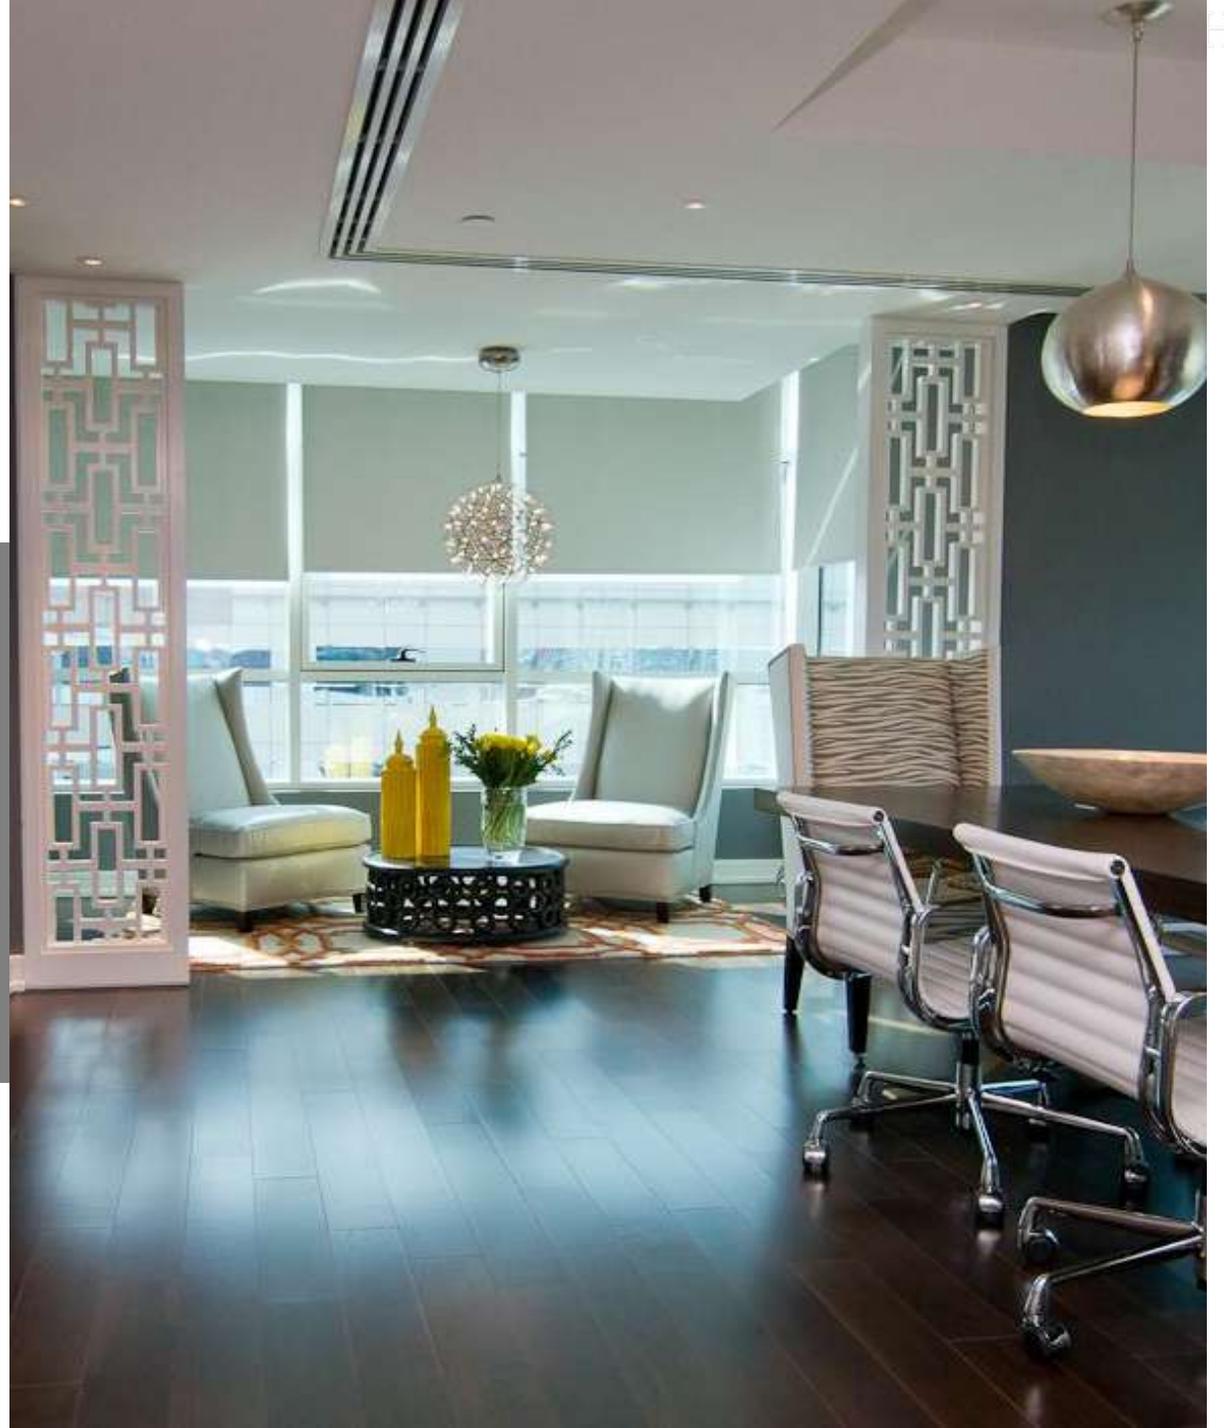

## Dining Room

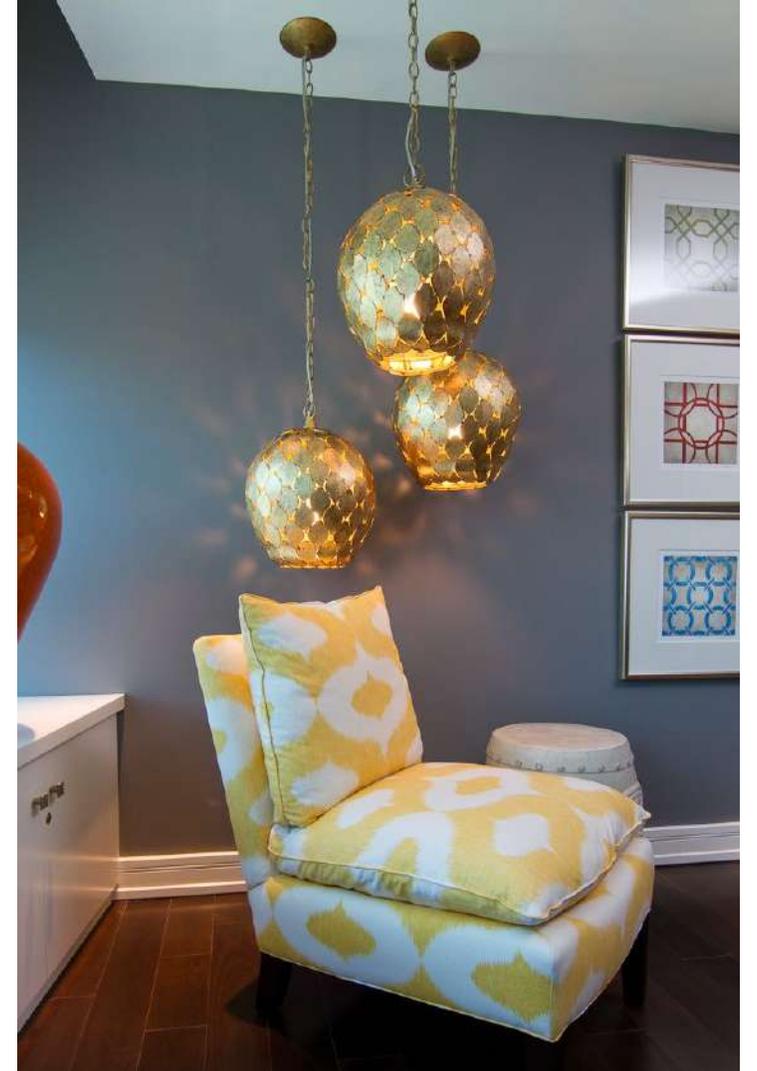

Expansive wooden cabinets add a rustic yet elegant feel to the dining area, and complement the wooden dining and console tables beautifully

# twofour54 Office

## ABU DHABI

A vibrant workspace with well-lit interiors and comfortable yet functional furniture and fixtures, creating a homey setting.

## Office Interiors

Urban artwork, vibrant yellow and bright orange accessories, natural textures, and a sophisticated gold metal chandelier create a dynamic and cozy workspace.
